Terms And Conditions

This application will allow the signer to purchase Beer and Wine from Pizza Mizza for delivery when available. This service cannot be used by anyone other than the signer and all sales are subject to Pizza Mizza approval. Valid identification must be shown every time alcohol is delivered and the signature must match the one listed below exactly. There are no exceptions to these conditions and failure to produce the necessary identification and/or signature can result in a termination of this membership (sign initials: _____).

Once the product is delivered and legally signed for, the signer agrees to release Pizza Mizza from all liability resulting from the consumption of the products. We offer no other warranties, expressed or implied. The customer may not recover any special, incidental, or consequential damages due to the purchase of any item. By signing this application, the applicant verifies that all account information is true and agrees to all terms and conditions set forth in this contract (sign initials: _____).
